

Support CDC's Digital Work through Writing & Editing

Project Title	Support CDC's Digital Work through Writing & Editing
Project Summary	Interested in writing and editing? Help CDC's digital media team by editing and writing materials for internal use and for external digital use.
Country	United States

Project Description

Provide support through the following activities:

- Review and edit internal drafts
- Review and edit PowerPoint slides
- Create new PowerPoint slides on various digital topics
- Draft or edit materials for digital channels
- Help with other administrative needs such as collating group responses or summarizing materials

The ideal candidate will have strong editing skills and attention to detail.
